OIFP due: Thu. 23 Apr. by 4PM.

Exam dates and format to be announced shortly.

Microquizzes:
There will be some small number of "pop" (unannounced) microquizzes, each worth 30 points. These will never occur on religious holidays; please EMAIL of such holidays THIS WEEK.
Usually, a pop-quiz has a single, easy question. I use them primarily for attendance, or checking that an idea from the previous class caught on.

Important: I drop the lowest microquiz score. AND: There is No Makeup for the first missed quiz; that is what the dropped-score is for.

Under rare circumstances, I may give you a makeup for a later missed quiz, if you have a good reason for missing.

I usually give a microquiz the classday after an exam day. Also, there will be microquizzes on Fri. 27 Feb., Mon. 9 Mar.

There will not be a microquiz on Fri. 3 Apr. (1st night Passover).

There is a subjective class-participation (CP) grade of 40 points for each of Jan., Feb., Mar., Apr, 40+40+40+30 = 160 points.
It is based on posting to our Archive, on class attendance, on lively participation in class.

There is no final exam. Rather, there will be an Optional Individual Final Project, that must be typed. It can be microquiz score, or a "B+", or stay a "B" or, if the project is terrible, drop to a "B-".

Shortly before the Withdraw date I will give you an estimate of your course-grade, from which you can decide if you want to do the optional final-project.

HOMEWORK: I do not collect written HW. Rather, a substantial part of your CP grade comes from your posting solutions to the Archive. These are not typically assigned; it depends on your own energy and motivation. I will email the URL of the Archive to each student.
