Math Dept.: http://www.math.ufl.edu/

Grades: Three in-class exams \( A,B,C \) each about 200pts. A (possibly optional) Final project, \( D \). Some number of “pop” microquizzes, each 30pts.

IMPORTANT: I drop the lowest quiz grade. There is no make-up for the first missed quiz, regardless of reason (that is what the dropped-grade is for). For a later missed-quiz, a student might merit a make-up, given a valid reason.

Each month there is a CP (class participation) grade \([45+45+45+25 \text{ for Jan Feb Mar Apr}]\). It is based on speaking in class and during office hours/appts., posting to our Archive, and in general helping the class to function well.

I will give you a written course-grade estimate no later than April \( 7^{\text{th}} \), the Withdraw date. (N.B: In computing course-grades, I may weight the exams/quizzes/CP slightly differently.)

Your obligation: If you are registered for my class (as opposed to auditing) then you have made an obligation to be here for all 42 class-days this semester, except for UF-acceptable reasons (illness, religious holidays, family emergencies, certain specific sports-team events). If you don’t want to make an obligation, then don’t register. (Be aware that pop-quizzes are partly for attendance, and there will be a pop-quiz on the class-day before, and after, Spring Break.)

Exam dates: I’ll give you exam-dates next week. In the meantime, check the dates of your religious holi-
