

MAC 1114 - Trigonometry

Semester: Summer, 2023

Section: 15256- MTRF; P1 (8:00AM-9:15AM): MAEA0327

Instructor: Zachariah Thomas

Email: thomas.z@ufl.edu

Office: Little Hall 461

Office Hours: Little Hall 461; Time TBA

1 Course Description and Objectives

This course is the sequel to MAC1140 Precalculus Algebra, and serves as an introduction to Trigonometry. Topics include a basic introduction to trigonometric functions, graphing trigonometric functions, inverse trigonometric functions, and analytic trigonometry.

2 Textbook

In this course, we will be using lecture notes provided in Canvas. There is no required textbook for this course.

3 Attendance

It is expected that all students attend every class meeting and complete all assignments. For any exception, contact the instructor as soon as possible. See the UF attendance policy; <https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/>

4 Grading

Grades will be based on the following composition:

12 Online Quizzes: 20%
12 Online Xronos Homework Assignments: 20%
Exam 1: 20%
Exam 2: 20%
Exam 3: 20%

Homework: There will be 12 graded Homework assignments, which will be completed through an online program called Xronos. This program should only be accessed through the assignment link in Canvas. These assignments are not timed and may be completed any time before the due date. You will also have unlimited attempts on each homework problem.

Quizzes: For each of the 12 modules of this course, a quiz will be assigned, consisting of 3-4 problems. This quiz will be taken in canvas. The quizzes are timed.

Exams: Exams will be in-class. These will be based on the homework assignments as well as the take home quizzes. You should expect to show all work and reasoning on the exam.

Grading Scale:

A	90%
A-	87%
B+	84%
B	80%
B-	77%
C+	74%
C	70%
C-	67%
D+	64%
D	60%
D-	57%
E	Below 57%

UF Grading Policy

<https://catalog.ufl.edu/UGRD/academic-regulations/grades-grading-policies/>

Late Submissions: No late work will be accepted without a reasonable, verifiable excuse.

Make-up Exams: If you are participating in an official UF activity (such as music performances, athletic competition or debate), you must contact the instructor at least one week prior to the event and you must present documentation. A make-up exam will be given soon after the exam date.

If illness or other extenuating circumstances cause you to miss an exam, contact the instructor before the time of the exam (if possible). Then, as soon as possible after you return to classes, bring/send the appropriate documentation to the course instructor. Given proper documentation, a makeup exam will be scheduled as soon as possible.

5 Schedule

July 3rd	Syllabus and Module 1	Angles and Circles
July 4th	No Class	Independence Day
July 6th	Module 1-2	Angles and Circles+Trigonometric Functions
July 7th	Module 2	Trigonometric Functions
July 10th	Module 3	Right Triangles
July 11th	Module 4	Graphing Sin and Cosine
July 11th	Module 4+ 5	Graphing Trig Functions
July 17th	Exam 1	Modules 1-4
July 18th	Module 5	Graphs of Trig Functions
July 20th	Module 6	Inverse Trig Functions
July 21st	Module 6	Inverse Trig Functions
July 24th	Module 7	Inverse Trig Functions and Bearings
July 25th	Module 8	Verifying Identities
July 27th	Module 8	Verifying Identities
July 28th	Module 9	Solving Trigonometric Equations
July 31st	Exam 2	Modules 5-8
August 1st	Module 9	Solving Trigonometric Expressions
August 3rd	Module 10	Angle Sum Identities
August 4th	Module 10	Angle Sum Identities
August 7th	Module 11	Double, Half, Power Reducing Identities
August 8th	Module 11	Double, Half, Power Reducing Identities
August 10th	Module 12	Law of Sines
August 11th	Exam 3	Module 9-11

6 Administrative Concerns

6.1 Incomplete Policy

A grade of I (incomplete) will be considered only if you meet the Math Department criteria which is found at <https://www.math.ufl.edu>. If you meet the criteria you must see the instructor before the beginning of finals week to be considered for an I. A grade of I only allows you to make up your incomplete work. You cannot redo any previously completed work.

6.2 Online Course Evaluation

Students are expected to provide feedback on the quality of instruction in this course by completing online evaluations at <https://gatorevals.aa.ufl.edu/>. Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open.

6.3 Advising and Help

- For issues with technical difficulties for Canvas, please contact the UF Help Desk at:
 - Website: <https://helpdesk.ufl.edu>
 - Phone: (352) 392-HELP (4357)
 - Walk-in: HUB 132

Note: Any requests for extensions due to technical issues **MUST** be accompanied by the ticket number received from the Help Desk when the problem was reported to them. The ticket number will document the time and date of the problem. You **MUST** e-mail your instructor within 24 hours of the technical difficulty if you wish to request a extension.

- For all concerns with this course, please talk to your instructor! Office hours will be posted and are regular times when they are available to answer questions, discuss grades, advise students on future classes, or help students in any available way. You do **not** need an appointment to visit during office hours. If you need to meet outside of office hours, please contact your instructor for an appointment.
- In addition, there are several other free resources available to you:
 - The Teaching Center Math Lab, located at SE Broward Hall, offers free informal tutoring. You may want to attend different hours to find the tutors with whom you feel most comfortable. Also the Little 215 Tutoring Center provides free tutoring for courses up to Calculus 1. Go to <https://www.teachingcenter.ufl.edu> to find their hours. You can also request free one-on-one tutoring.
 - A list of qualified tutors for hire is available at <https://www.math.ufl.edu>.
 - Other resources are available at <https://www.distance.ufl.edu/getting-help> for:
 - * Counseling and Wellness resources
 - * Disability Resources
 - * Resources for handling student concerns and complaints
 - * Library Help Desk support
- Should you have any complaints with your experience in this course please visit <https://www.distance.ufl.edu/student-complaints> to submit a complaint.

6.4 Class Demeanor or Netiquette

All members of the class are expected to follow rules of common courtesy in all email messages, threaded discussions and chats.

6.5 Honor Code

All students are required to abide by the Academic Honesty Guidelines which have been accepted by the University. The academic community of students and faculty at the University of Florida strives to develop, sustain and protect an environment of honesty, trust and respect. Students are expected to pursue knowledge with integrity.

Violations of the Academic Honesty Guidelines shall result in judicial action and a student being subject to the sanctions in paragraph XIV of the Student Code of Conduct. The conduct set forth hereinafter constitutes a violation of the Academic Honesty Guidelines (University of Florida Rule 6C1-4.017). You may find the Student Honor Code and read more about student rights and responsibilities concerning academic honesty at the link <https://www.dso.ufl.edu/sccr/>.

6.6 Students with Disabilities

Students with disabilities who experience learning barriers and would like to request academic accommodations should connect with the Disability Resource Center by visiting: <https://disability.ufl.edu/students/get-started/>. It is important for students to share their accommodation letter with their instructor and discuss their access needs, as early as possible in the semester. If a student does not supply the appropriate documentation in a timely fashion, the instructor may not be able to accommodate the student in a timely manner.

6.7 Changes

The instructor reserves the right to make changes to this syllabus as necessary. Any such changes will be announced both in-class and as an announcement on Canvas.
