Combinatorics: Topics, Techniques, Algorithms  
by Peter Cameron

**Office Hours:** Monday, Wednesday, Friday – period 6  
(or by appointment)

## Combinatorics

This is the new one semester, graduate level combinatorics course.

## Topics – Homework – Grades

See canvas

## Campus Resources

The course will be conducted in accordance with the [Academic Honesty Policy](#) and policy regarding the use of copyrighted material.

Students with disabilities requesting accommodations should first register with the [Disability Resource Center](#) by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

[Academic advise](#) and [tutoring](#), as well as [health advise](#) (physical and mental) is available to students.

Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at: [Attendance Policies](#)

Information on current UF grading policies for assigning grade points may be found at: [Grades](#)

Students are expected to provide feedback on the quality of instruction in this course by completing a course evaluation online via [GatorEvals](#). Students will be notified when the evaluation period opens and can complete evaluations through the email they receive from GatorEvals or in their Canvas course menu under GatorEvals.
