## COVID Statement:

Our class sessions may be audio-visually recorded for students in the class to refer back and for enrolled students who are unable to attend live. Students who participate with their camera engaged or utilize a profile image are agreeing to have their video or image recorded. If you are unwilling to consent to have your profile or video image recorded, be sure to keep your camera off and do not use a profile image. Likewise, students who un-mute during class and participate verbally are agreeing to have their voices recorded.

If you are not willing to consent to have your voice recorded during class, you will need to keep your mute button activated and communicate exclusively using the "chat" feature, which allows students to type questions and comments live. The chat will not be recorded or shared.

As in all courses, unauthorized recording and unauthorized sharing of recorded materials is prohibited.

This is a 3-credit course that continues MAD 4203. This is a hybrid course. Most weeks, we will meet face-to-face on Monday and Friday, and by zoom on Wednesday. Exceptions to this rule are the first day of classes, and the tests. At these times, we will meet by zoom, regardless the day of the week. All meetings are in the 7th period, and the face-to-face meetings will be in MAEA 0327.

Grading: There will be six tests and a final exam. Each test will contribute 12% to the final grade, with the final exam making up the remaining 28%. The tests and the final will be given online and proctored by Honorlock.

The tests will be on the following days.
