Text: Linear Algebra, by Friedberg, Insel, and Spence, 4th edition

Grade:

Tests 80 %

Homework Assignments 20 %

A student's final grade is based upon a standard grading scale:

*A* : 90 % or above

*B*<sup>+</sup>: 87 % or above

*B* : 80 % or above

*C*<sup>+</sup>: 77 % or above

*C* : 70 % or above

*D*<sup>+</sup>: 67 % or above

*D* : 60 % or above

*E* : below 60 %

Grades will not be rounded and there will not be any extra assignments to raise your grade.

Attendance is mandatory if the student wishes to excel in the course; in addition, the student is responsible for all announcements and material covered in online lectures. Makeup tests will only be given in cases of documented illness or for students participating in official University events. Tests will be administered during the normal class period. There will be four exams during the course of the semester: Tuesday, June 1st; Friday June 18th; Monday, July 19th; and Friday, August 6th. Homework will be assigned on

a daily basis and it is imperative for students to complete all assignments in order to master the material. Collected homework assignments will only be announced in lecture. For the collected homework, students should feel free to work in groups, however, each student should write up his or her own solution (this means do not copy a solution from some other student). The assignment will be due (uploaded) at the end of class on the collection dates. Late homeworks will receive a grade of zero. Academic dishonesty in any form will not be tolerated and will be treated in accordance with the policies of the University of Florida. During the course of the semester we will cover material from chapters 1, 2, 3, 4, 5, and 6.

Students with disabilities who experience learning barriers and would like to request academic accommodations should connect with the Disability Resource Center by visiting <https://disability.ufl.edu/students/get-started/>. It is important for students to share their accommodation letter with their instructor and discuss their access needs, as early as possible in the semester.

Faculty can expect to receive a students accommodation letter within the first 3 weeks of classes; however, if a student registers with the DRC later in the semester faculty are still obligated to facilitate accommodations. Neither faculty nor administrators may independently deny a request for accommodation that is approved by the Disability Resource Center.

Students may evaluate the course at: <https://ufl.bluera.com/ufl> and view evaluations at <https://gatorevals.aa.ufl/public-results>.
