

MWF 5th period (11:45am – 12:35pm) Section 3146 – LIT 203 – SPRING 2018

Krishnaswami Alladi
304 Little Hall
294-2290
email: alladik@ufl.edu

MW – 8th period (3:00 – 3:50pm) in LIT 304 and by appointment.

grade of C or better in MAC 2312, MAC 2512 or MAC 3473.

Fundamentals of differential equations and boundary value problems by Nagle, Saff and Snider, 9th Edition, Addison-Wesley (Pearson).

Material to be covered: Chapters 1, 2, 4, 6, 7 and parts of 8 (time permitting).

The course grade will be based on
Four in-class tests each worth 25% of the grade.
 $4 \times 25\% = 100\%$ total

The course will be conducted in accord with the University honor code and academic honesty policy which can be found in the [Students Rights and Responsibilities](#) which is part of the [Student Handbook](#).

Students requesting classroom accommodation must first register with the Dean of Students Office. The Dean of Students Office will provide documentation to the accommodation. See [Disability Resource Center](#) for further information.
