B-	$\geq 77\%$	D-	$\geq 56\%$
C+	$\geq 74\%$	E	$< 56\%$

**Homework:** Homework will be assigned at the end of each section covered in class and collected on each Friday. Doing homework is essential to your success in this course and is one of the best ways to prepare for quizzes and tests, and it is worth 10% of your grade. You may work on homework problems in groups, but all submitted papers should be the work of the corresponding student alone, according to the UF honor code (see below). The two lowest homework scores will be dropped; therefore, no late homework will be accepted.

**Attendance and Participation:** You are expected to participate in class discussions and activities. Therefore, *it is absolutely essential that you attend class*. Excused absences are consistent with university policies in the undergraduate catalog <https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx> and require appropriate documentation.

**Quizzes:** There will be six quizzes on the dates listed in the calendar and the two lowest scores will be dropped. Quizzes are worth 10% of your grade. You must work individually on the quizzes, and no calculators are permitted.

**Submitted work expectations:** Submitted homework assignments and in-class activities should be neat, organized, and clearly presented. Homework must be on letter-size paper only and papers with multiple pages should be stapled. Papers not meeting these standards may have the scores reduced or may be returned ungraded.

**Exams:** We will have three exams which will be administered during the normal class time in our regular classroom. The specific sections covered by each exam are given on the tentative course calendar and will also be announced in class and on CANVAS. No calculators are permitted on exams. You will be asked to place personal belongings including (turned-off!) cell phones, backpacks, textbooks, notes, computers, etc. at the front of the classroom. It is recommended that you arrive to class a few minutes early on exam days in order to use all of the allotted time.

**Make-up policy:** You may arrange to make-up a missed quiz or exam for excused absences. Acceptable absences include but are not limited to the following: you are participating in a UF-sponsored event and provide me with documentation at least two days (for a quiz) or a week (for an exam) in advance; you were verifiably ill during the quiz/exam and notified me within 24 hours of its conclusion; you are observing a religious holiday and have notified me of this during the first week of class; you have a court-ordered obligation and have provided me documentation two days/a week in advance. Please note that "I just didn't feel well" without documentation and travel plans are NOT excused.

**Class guidelines:** It is expected that everyone in our class will act in a respectful manner:

- Please be respectful of your classmates and me while in class or office hours.

- I expect that you are committed to learning and will not miss class. Arriving late (after we have started class) or leaving early is disruptive and disrespectful. If however, you cannot avoid it, please arrange it in advance with me.
- Turn off all cell phones before the start of class.
- Laptops are not to be used in class (Facebook can wait!)

**Students with learning disabilities:** Students requesting class and exam accommodations must first register with the Dean of Students Office Disability Resource Center(DRC), [www.dso.ufl.edu/drc/](http://www.dso.ufl.edu/drc/). That office will provide a documentation letter to the student to present to the instructor in Little 370. This must be done as early as possible in the semester, **at least 7 business days before the first exam**, so there is adequate time to make proper accommodations.

**Academic honesty:**Remember that you committed yourself to academic honesty when you registered at the University of Florida. All students are bound to

### The Honor Pledge

We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honesty and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied:

“On my honor, I have neither given nor received unauthorized aid in doing this assignment.”

**Academic Honesty Guidelines:** “All students are required to abide by the Academic Honesty Guidelines which have been accepted by the University. The academic community of students and faculty at the University of Florida strives to develop, sustain and protect an environment of honesty, trust, and respect. Students are expected to pursue knowledge with integrity. Exhibiting honesty in academic pursuits and reporting violations of the Academic Honesty Guidelines will encourage others to act with integrity. Violations of the Academic Honesty Guidelines shall result in judicial action and a student being subject to the sanctions in paragraph XIV of the Student Code of Conduct.”

In addition, we remind you that *lectures and the course materials given in this class are the property of the University/faculty member and may not be taped/shared without prior permission from the lecturer and may not be used for any commercial purpose. Students found to be in violation may be subject to discipline under the Student Conduct Code.*

## 6. ONLINE COURSE EVALUATION

Students are expected to provide feedback on the quality of instruction in this course by completing online evaluations at <https://evaluations.ufl.edu>. Evaluations are available from July 29 – August 4.

**Tips for the Course:**

- *Mathematics is not a spectator sport.* Your participation and engagement with the material is essential.
- Discuss the topics with your classmates.
- Take advantage of my office hours. This time is set aside for us to help you.
- Don't hesitate to ask questions in class.
- Be reminded that 2 student hours devoted to assignments and preparation for every hour of classroom time is a reasonable expectation for an average student.
- Barring unforeseen medical or other serious conditions, I expect you to be in class on time every day. If you must miss a class, please let me know as soon as possible and be sure to contact a classmate to find out what you missed.
- If you are in trouble see me immediately. If you think you are in danger of failing (or of getting a grade that you do not want) you should see me immediately. I will not give you an extra credit assignment or an incomplete to help you avoid failing, but I can make recommendations regarding drops, study habits, test taking skills, future courses, etc.
